## Winter Active Escape in Southern & Alpine Switzerland Paddle, Peaks & Panoramic Rails: From Lugano to the Bernina

### Land of water and peaks

Discover Switzerland through an unforgettable winter journey filled with adventure, stunning landscapes, and iconic experiences. Start in Lugano, where you will paddle on the beautiful Lake Lugano surrounded by spectacular mountain scenery. Continue to Bellinzona to explore its famous medieval castles before crossing an exciting Tibetan suspension bridge high above the alpine landscape. The adventure continues aboard the iconic Bernina Train, one of the world's most scenic railways, travelling through breathtaking snowy panoramas to the magical Lake Sils for an alpine stay. Ride the Rhaetian Railway to the legendary Preda-Bergün sledding run, one of Switzerland's most famous winter experiences, before ending your trip in the charming city of Lucerne with a spectacular ascent to Mount Pilatus and the visit of the old town and bridges.
